

DIRECTIONS TO CAMP KEANAE

ISLAND OF MAUI

Exit the Airport

At the first stoplight, there is a hard left turn into Costco - don't take this turn but instead go STRAIGHT, (which is a "slow" LEFT turn) onto Dairy Road
Proceed to the next stoplight at Dairy Road and Hana Highway, turn LEFT
Continue on Hana Highway through Paia and onto Keanae
This drive to camp is only around 35 miles,
but could take as long as two hours to drive due to the many curves

Camp Keanae is situated above the beautiful Keanae Peninsula.

You can't miss it.

You will recognize the site when you see the tents, cabins, parking lot and large dining hall on the left hand side of the road.
